

Announcement of Pathumthani Immigration

Subject: Declaration of Integrity in Administration (No Gift Policy), B.E.2569 (2026)

.....

Pathumthani Immigration hereby declares its commitment to administering its affairs with honesty and integrity in accordance with the principles of good governance, ensuring transparency, and strictly adhering to a policy of giving or accepting no gifts, gratuities, or other benefits (No Gift Policy). The Office firmly opposes bribery in all forms. All operations shall be subject to verification and accountability, thereby fostering public confidence that the Office is committed to combating corruption in all forms and operating as a transparent and accountable organization. To achieve these objectives, the Office shall undertake the following measures:

1. To administer its operations in accordance with the principles of good governance, fostering a culture of morality and ethics within the organization. Budget management shall be conducted with transparency, cost-effectiveness, and for the maximum benefit of the public service. The Office shall accept responsibility should its performance of duties result in any adverse impact or damage to society.

2. To perform all duties at every stage with honesty and integrity, in strict compliance with applicable laws, rules, regulations, and directives, and to promote personnel compliance with such legal and regulatory frameworks.

3. To carry out duties with transparency, equality, impartiality, integrity, promptness, and efficiency, keeping pace with evolving forms of corruption and in accordance with established standards of official performance.

4. To instill awareness and shared values in opposing bribery (Anti-Bribery Policy) and refraining from accepting gifts, gratuities, or other benefits (No Gift Policy), while promoting clear distinctions between personal interests and public interests. The Office shall cultivate strong moral consciousness and reinforce effective internal checks and balances, ensuring personnel recognize the detrimental consequences of corruption and thereby fostering a sustainable anti-corruption culture.

5. To refuse to tolerate corruption or bribery in any form and to maintain a firm stance against all corrupt practices.

It is hereby announced and applied to all concerned
